MLK SUNDAY OUTREACH
This Sunday we remember the life and message of the Rev. Dr. Martin Luther King Jr. As in years past, we invite a guest to offer a reflection after the Gospels. This year’s speaker is Katie Sellers, a parishioner, educator, and member of our Social Mission Core Team and Dismantling Racism Team. She has worked with the Ohio Justice and Policy Center (OJPC) on a number of projects that directly realize King’s dream, including the evolving ballot initiative for drug sentencing reform and drug treatment in Ohio. This Sunday’s outreach collection will go to support the work of OJPC across the state. Checks can be made out to Bellarmine Chapel and left in the boxes at the exits to the church.

A JOURNEY THROUGH THE BIBLE newcomers welcome!

Our “Journey through the Bible” continues each Sunday morning with Lee and Allison Colglazier, 10:10-10:55 AM in Room #17 in Hailstones Hall. This particular study is meant for all levels of experience. For first timers reading through the Bible, this is a perfect setting. If you are experienced, this is a great setting to read it in the fellowship of others and further marvel at its treasure. You are certain to meet and more deeply know Jesus Christ. All are welcome any and every Sunday!

MARDI GRAS CELEBRATION

Our all-parish celebration of Mardi Gras will be Tuesday, February 13, beginning at 6:00 PM with our pancake supper, followed by fun and crafts, concluding in the Chapel with closing prayer.

IMMIGRATION WEEK

This week the US Catholic Church celebrated National Migration Week. As a parish, we are participating in this week by sponsoring A REPORT FROM THE BORDER. Last month a group of Bellarmine Parishioners had an immersion experience at the Kino Border Initiative, the same organization that the Merche family worked with to get to our parish this past fall. Come learn about the situation on the Border and how we can share more deeply in KBI's work to Humanize, Accompany, and Complicate. Tuesday, January 16, 6:00 - 8:00 PM Conaton Board Room. Please RSVP at issj@xavier.edu. Note, this gathering is in lieu of our normal Immigration Team Meeting for the month of January.

RECOVERY AND GROWTH AFTER TRAUMA

This course explores the intersection of trauma and theology. Pulling from a cross-section of disciplines, including theology, psychology, neurology, social work, and others, students will explore theological questions of the human person, God, evil, suffering, salvation, and the possibility of hope and healing in our increasingly traumatic world. Students will have opportunities to develop their pastoral care and counseling skills through role plays and case studies utilizing the theories they study. This combination of theory survey and skill practice aims to generate theological reflections that empower students’ theological anthropology, theory of change and pastoral identity needed as a pastoral caregiver and counselor.
