THE SPIRITUAL EXERCISES

Week of Prayer #20 Jesus' Public Ministry

This week let more of what Jesus has said, shown or revealed draw you in. Keep listening for what Jesus has to say. It is always something that is incarnate in his Body, in-the-flesh, visible, touchable. Keep looking directly at the person of Jesus Christ as he is becoming more real to you, more clear, more visible, perhaps more engaging with you.

Come right out and ask, "Jesus, what are you showing me now, as if for the first time!" "Jesus, my friend, my teacher, listen to me, too, because I want to respond to what I hear." (My response may be apprehension, fear, wonder, gratitude.) Especially in the places where I feel "captive" and in need of "freedom" I can feel his presence.

COLLECTION FOR INDONESIA RELIEF

Today we will be participating in the Archdiocese-wide collection for emergency relief in Indonesia, which has been hit by a series of tsunamis over the last month. Donations will be given to Catholic Relief Services and Caritas Indonesia active in the recovery efforts.

WINTER COAT COLLECTION

Bellarmine's Social Mission Core Team is collecting new hats and gloves, and new and used coats, through this Sunday, January 27. Please leave donations in the box in the narthex.

DISCUSSION AND REFLECTION GROUP

Faith, Racism, and Cincinnati

We will be launching a 4-week discussion and reflection group on the topic of *Faith, Racism, and Cincinnati* during the month of February, meeting on Tuesdays beginning February 5, 7-8:30 PM in the Parish Center. Parishioners Jeff Hutchinson and Pat Berning will co-facilitate, as we unpack the US Bishops' recent pastoral letter, "Open Wide Our Hearts: The Enduring Call to Love" and explore the Intercommunity Justice and Peace Center's new "Race and Racism in Cincinnati Toolkit," looking at the history of racism in our city. Enrollment is limited. If you are interested in participating and want more information or are ready to sign up, please reach out to Pat Berning at patberning@fuse.net or 513-545-7388.

Where there's hope, there's life. It fills us with fresh courage and makes us strong again.

The presentation for all those praying The Spiritual Exercises, the large group presentation originally scheduled for Jan. 13 on "Discernment: Understanding Consolation & Desolation" has been re-scheduled for Sunday, February 10, 2019, at 10:10 AM and 5:45 PM in Room #2 in Hailstones Hall.

SUPPORT FOR GRADY COOK'S FAMILY

Grady Cook, a friend of Bellarmine and our long-time *StreetVibes* vendor, is requesting prayers for his mother, Catherine Ralls, currently in hospice care. Given his long connection to the parish, we would like to help cover her funeral expenses. If you would like to contribute to this cause, please send your donation to Bellarmine Chapel, with Grady Cook in the memo line. We will send a single check to the funeral parlor once arrangements have been made. Please hold Grady and his family in your prayers.

HEALTHY EARTH TEAM MEETING

Our Healthy Earth Team will be meeting this Monday, January 28 at 6 PM in the Alumni Center. We will be discussing plans for Earth Day, the Fresh is Better: Evanston Garden Project and more. All are invited to join!

HOPE FOR KABINGO AT 7:00 LITURGY

On Sunday, February 10, Fr. Richard Kyankaaga, a Comboni priest from Kabingo, Uganda, will be joining us for Mass. He will be available after Mass in the narthex to answer questions about Hope for Kabingo, a local mission group that supports health, education, and economic empowerment there. They also make medical mission trips to Kabingo every summer (each team of about 22-25 members treats approximately 2500 patients per trip). Many members of our parish have visited there over the last several years, and they will be available to answer questions about opportunities for participation.

There is also a Shrimp Boil Dinner and fun auction for Hope for Kabingo being held next Saturday, February 2, at Immaculate Heart of Mary Parish in Anderson. Join us for 5:00 PM Mass celebrated by Fr. Kyankaaga, with dinner to follow for \$25 a person. Details for that event and reservations can be made at the HFK website (hopeforkabingo.org). Please visit the website and like us on Facebook!

BOOK STUDY FOR NEWLYWEDS, LED BY NEWLYWEDS

Colleen and Brian McHugh, newlyweds themselves, will be hosting/facilitating a book study on The Meaning of Marriage by Tim & Kathy Keller. The group will meet on the fourth Monday of each month beginning tomorrow, January 28. The group will be reading and discussing the book and using a DVD and discussion guide each week. This is open to any newly married couples in the parish, 5 years or less! 6-7 PM: Book study/reflection time, 7 PM: Dinner. You are welcome to come for either part or stay for both...whatever you are comfortable with. If you can't make one session, come to the next. This is meant to be informal and fun! Anyone interested should contact Colleen at mchugh.coll@gmail.com

CISE FUND COLLECTION CONTINUES

Given the weather, our outreach collection for the CISE Fund, the Catholic Inner-City Schools Education Fund, was lower than anticipated. These donations go to support Corryville Catholic and several other schools serving low-income and minority youth. We would love to increase our total donation, and will be accepting contributions to the CISE Fund at the Chapel through the end of the month. Please just make your donation out to Bellarmine Chapel with CISE in the memo line. More information on CISE is available here: <https://bit.ly/2sjiqzL>

OPEN WIDE OUR HEARTS

A selection from Open Wide Our Hearts: The
Enduring Call to Love—A Pastoral Letter against
Racism from the United States Conference of Catholic
Bishops. The letter was approved for publication in
November of 2018 and can be read in full at
www.usccb.org/racism.

“Racism can often be found in our hearts—in many
cases placed there unwillingly or unknowingly by our
upbringing and culture. As such, it can lead to thoughts
and actions that we do not even see as racist, but
nonetheless flow from the same prejudicial root.
Consciously or subconsciously, this attitude of
superiority can be seen in how certain groups of people
are vilified, called criminals, or are perceived as being
unable to contribute to society, even unworthy of its
benefits. Racism can also be institutional, when
practices or traditions are upheld that treat certain
groups of people unjustly. The cumulative effects of
personal sins of racism have led to social structures of
injustice and violence that makes us all accomplices in
racism.”
