The “From Darkness to Hope” Blue Christmas Service offers a prayerful opportunity for anyone who:

- mourns a death, a change or loss in love, relationship, job or health in one’s own life, or among family or friends,
- has worries or anxieties which might overshadow the season,
- feels isolated or alone during this time of year,
- faces struggles in other ways, whether personally, medically, financially, academically, or as a caregiver

All are welcome! Invite a friend, family member, or even a neighbor. This prayerful gathering seeks to support parishioners and friends who are experiencing any challenges during the past year or this holiday season, while helping gently guide us toward healing, renewal and hope.
