# Immigration Law, Policy, and Rights 101

With Allison E. Herre, Esq.  
Director of Immigration Legal Services  
Catholic Charities Southwestern Ohio

Over the last two years, our community has been striving to form stronger relationships with our migrant brothers and sisters. At the same time, immigration issues have become increasingly divisive in our country. Yet few of us fully grasp the ins and outs of our immigration system or the challenges our neighbors face within it.

Join us as we learn about these realities, have our questions answered, and explore how to be an ally with Allison E. Herre, Esq., Director of Immigration Legal Services for Catholic Charities Southwestern Ohio

Refreshments will be provided.
