VOICES from the MARGINS: Women

Join us for a shared meal, as we gather together to hear the sacred stories of Bellarmine women who have experienced marginalization within the Catholic Church.

After dinner, we will engage in reflective dialogue with community members and youth, then end with an activity modeling inclusive community!

Sponsored by our Social Mission Core Team and our Bellarmine Youth Group
Part of a series listening to those who have been historically marginalized in the Catholic Church, in an effort to create a more inclusive Bellarmine community.
