# Living as an Active Disciple: Our Social Mission in Action

As a Jesuit parish, we are committed to our social mission, to embracing a faith that does justice and a preferential love for the poor manifest in service and relational solidarity, parish-wide education, intentional giving, and advocacy. Through the organizing efforts of our Social Mission Core Team (SMCT), and the leadership of so many parishioners like you, we hope to leverage our time and talents for the common good, to together work towards the reign of God for all of our sisters and brothers. This chart will hopefully help you to understand our social mission in action and to begin discerning how you can be involved.

Our Core Team members and Director of Social Mission, Tim Severyn ([severyn@bellarminechapel.org](mailto:severyn@bellarminechapel.org)), are happy to talk with anyone interested in being more involved. It takes all of us for this work of active discipleship to make a difference! Thank you for all that you do!
